What is Pastoral Care?

- A ministry of presence
- Founded on faith and prayer
- Focusing on the other person(s) through active listening
- Offering support and guidance
- Shared with and accountable to a community of caregivers

Pastoral care visitors will develop skills to help them become a compassionate and sustaining presence with others, and to support one another in ministry.

What is a Pastoral Care Team?

A pastoral (or spiritual) care team is a community or institution's specific response to the pastoral, spiritual and emotional needs of its members.

A pastoral care team brings focus to a ministry which attempts to make visible God's presence in definite and tangible ways by:

1. responding to the needs of others within the community
2. embodying the presence of God for others
