Exploring Dementia

Join us for our next Continuing Education event which will focus on dementia. Linda LeDuc will lead us in a conversation about:

- Defining dementia
- The signs and how you might see them within a faith community
- Communication strategies
- Strategies to support the person living with dementia and their caregiver from a faith community/pastoral volunteer perspective.

It promises to be an interesting and useful event for all those involved in pastoral care.

About Linda LeDuc

Linda LeDuc has considerable experience as a nurse and educator. Now an independent consultant, she builds on her years of work with the Alzheimer Society to work with clients and caregivers as they cope with dementia. She has worked at the national, provincial and local levels to build relationships, develop resources and to implement innovative programs. Linda holds a nursing diploma from Algonquin College and a BA in Health Studies from York University.
